

Face Covering Policy

It is the policy of the Woodford Dolmen Hotel to implement all Government Covid 19 safety guidelines as advised by Failte Ireland and the Irish Hotels Federation. The enforcement of these guidelines is to ensure the safety of all our customers, staff, and contractors alike whilst on our premises. All our measures have been risk assessed and are deemed as reasonable and correct and we believe that they comply fully with the aforementioned safety guidelines. We are fully compliant with the "Covid 19 Safety Charter" and we are audited by Failte Ireland on an ongoing basis. We are also operating to the full satisfaction of our local Environmental Health Office.

This face covering policy of the Woodford Dolmen Hotel states that we request all customers, staff, and contractors to wear a facemask correctly covering both mouth and nose before entering the premises and not to remove the face mask until sitting at a table or entering a bedroom. Masks are to be always worn when moving around the public areas of the hotel. We ask full compliance with this policy as it is inline with public health guidelines and is in place for the safety & comfort of all guests and staff.

We understand that there are customers that may have medical conditions that would exempt them from the wearing of face masks. Due to privacy laws, we do not wish to examine any medical letters or any other documentation that may infringe general data protection regulations. We will accept the customers' word, but we will ask the customer to consider wearing a face shield instead of a face mask and this shield will be supplied to them free gratis. If the customer cannot wear neither face mask nor face shield, they will be asked to leave the premises.

It is the policy of the Woodford Dolmen Hotel to enforce the above guidelines in a friendly and courteous manner. We believe the above policy to be correct and fair and that it will show respect and fairness to all customers and staff in these trying times. If you wish to discuss this policy or any of our Covid 19 measures, please ask to speak to one of our managers.

Stay safe!
